## ***Dying To Meet You: Preventing Euthanasia, Encouraging Hope***

More than 50,000 Canadians have died by euthanasia since it was legalized in 2016. The euthanasia rate is three times the suicide rate. Why has euthanasia become such a temptation for so many Canadians? How can we create and put forward a more attractive alternative vision?

Join us at Sacred Heart Cathedral on **Thursday, September 12th at 7:00 p.m.** The evening will include Adoration & Benediction, a talk by visiting speaker Amanda Achtman, and a closing reflection by Bishop Vila. Come be inspired and equipped.

### *About the Speaker*

Amanda Achtman holds a master's degree from the John Paul II Catholic University in Lublin, Poland and a Licentiate degree from the Pontifical Gregorian University in Rome. She has worked on Parliament Hill in an effort to prevent the expansion of MAID to persons with living with disabilities or mental illness. Amanda will share stories of travelling across the country engaging Canadians on the big questions of suffering, death, meaning, and hope. She looks forward to hearing your questions and stories, too. See you there! ([www.dyingtomeetyou.com](http://www.dyingtomeetyou.com))
